Whether you are in our Skilled Nursing Facility or our CBRF Assisted Living we want you to feel at home.

Spruce Ridge- We encourage all our residents to bring in items from home. We are required to supply a hospital bed, dresser, night stand, tray table and chair if needed. Aside from the bed, we recommend you bring in your own furniture from home including art work, decorations and photos.

**Please note that recliners and televisions are not provided to our long term residents.

The Pines, CBRF- We encourage all our residents to bring in **ALL** their items from home including their bed, bedding, dressers, night stand, towels, recliner, television, art work, decorations, and photos. The Pines does not supply toiletries or equipment of any kind. That must be provided by the resident.

**Please note that recliners and televisions are not provided to our residents.
